SHOWCASE OF CITRUS

9:30 AM Guests depart Rosen Shingle Creek

3:00 PM Guests arrive at Rosen Shingle Creek

This is a must see and experience; even if you are a Florida native and especially if you aren't! Visit the Showcase of Citrus for a glimpse of what Florida used to be like – before all the concrete was poured.

Tour on a **MONSTER truck**, not to worry air ride suspension equipped, through beautiful citrus groves, upland Palmetto, Oak and Pine Scrub habitat, cattle pastures and wooded swamps. Wildlife (the natural kind, not the theme park kind) roam freely and are as intrigued with you as you are with them – you can even feed the cattle.

At the end of the tour, guests are free to pick your own quarter bushel of citrus to take home.

Home cooked BBQ lunch will be served, plus a gator handler will be present. Photographer will be on site and you will receive your own commemorative photo.

Limited to the first 85 registrants.

Note: Monster truck tours are not ADA compliant.

(Oh by the way, be sure to dress comfortable – jeans and sneakers!!!)

This is an experience you will remember and talk about for years to come.
